

## Meet Laura Bell from Bell's Brewery

Laura Bell is CEO of Bell's Brewery, Inc., the seventh largest craft brewery in the United States. A second generation co-owner (Laura was just 2 months old when Larry Bell founded the brewery), she has spent time working various odd jobs when she was younger like gluing labels to bottles and in the Eccentric Café's kitchen while in high school. Laura officially started working at the brewery full-time in 2007 after graduating from Michigan State University. Since then, she has spent time in sales, all areas of beer production and built the marketing department from the ground up. She now oversees all brewery operations and planning for Bell's and its sister brewery in Escanaba, Upper Hand Brewery.

Meet Laura Bell on Saturday, April 8 at the 7<sup>th</sup> Annual Blue Chip Brewfest for the Brewmaster Luncheon in the Orleans Ballroom from 11:30am to 12:30pm.
