- Take a cold shower - warm showers after sun exposure can further dry out your skin. Opt for a cooler version.
- Use a basic sunscreen.
- Wear a wide-brimmed hat to protect your face from all angles.
- Exfoliate - try a sugar or salt scrub for softer skin.
- Treat sun spots with our GLO Brightening Serum.
- Feed your face with watermelon, cantaloupe and blueberries to boost your body with antioxidants.
- Be careful not to burn, but if you do, try some yogurt to calm the skin.

SUMMER MUST-DO'S
