7. Table games will earn one (1) entry for every one (1) hour of rated play with a minimum average bet of \$5 and earn one (1) additional entry for each additional \$5 average bet. It is the player's responsibility to request that their play be rated.
8. Additional electronic entries may be given as prize through direct mail, e-mail, online or via text message, as well as property-specific entry multiplier days.
9. All drawing entries are "virtual" and must be activated (electronically deposited into our cyber drawing drum) at a casino promotional kiosk at the property where entries are earned. Participants must activate their entries at any kiosk at least fifteen (15) minutes prior to the drawing time on the day of the **Drawing**. Entries earned during the fifteen (15) minute period prior to the **Drawing** will not be eligible for activation in that pending drawing. See property times listed below to determine when entries become available for activation. Participants will be able to activate their entries for the **Boyd Gaming Grand Prize Drawing** on September 5, 2015 from noon to 4:45 p.m.

11. On September 5, 2015, the final property **Drawing** will be held after the **Boyd Gaming Grand Prize Drawing**. At Sam's Town, the final **Drawing** on September 5 will take place in Sam's Town Live immediately following the **Boyd Gaming Grand Prize Drawing**.
12. There is a maximum of 10,000 entries, per day, per person, for the drawing.
13. Participants must be present to win and have three (3) minutes to identify themselves once their name has been called. Winners must present a valid photo ID and B Connected card. After the three (3) minutes have expired, a new name will be drawn until a winner has been identified. On September 5, 2015, the four (4) finalists from each property entered in the **Boyd Gaming Grand Prize Drawing** must also be present to win.

After the three (3) minutes have expired and finalist is not present, the prize is forfeit and no other finalist name will be drawn.

14. In the order their name was drawn, each of the ten (10) winners will be allowed to select one (1) sealed cash envelope from the drawing board. The first winner drawn will go first in each drawing and will select one (1) of forty (40) sealed envelopes on display, the second person drawn will select from the remaining thirty-nine (39) sealed envelopes, the third person drawn will select from the thirty-eight (38) sealed envelopes and so on until all ten (10) winners have selected an envelope.
15. On September 5, 2015, if any of the four (4) finalists from each property did not win any prizes from the **Boyd Gaming Grand Prize Drawing**, they will be eligible to participate in the final property **Drawing**. Each will select one (1) sealed cash envelope from the drawing board, in the order their name was drawn. After the four (4) finalists have drawn, ten (10) additional winners will be drawn and each will select from the remaining envelopes, in the order their name was drawn.
16. The cash envelopes will contain prize amounts ranging from \$250 to \$10,000. Additional bonus punches may also be represented in an envelope. In this case, the participant will keep the cash prize already selected, and they will be entitled to a bonus punch. The participant will keep both cash prizes. A cash prize may also contain the words Take It or Trade It. With this option, the participant must decide whether to keep the current cash prize or surrender it and select another envelope. If they do select again, the amount in the newly selected envelope is their final prize.
17. Each winner will be offered the option for a 10% increase in prize value if taken as Slot Dollars.
18. A person may only be selected to be a player once. No substitution or transfer of prize by winners permitted.
19. Winners are responsible for any and all taxes and other fees.
