## VISIT A **BOYD GAMING** CASINO AND YOU COULD LEAVE A **MILLIONAIRE!**

# JESSICA WON **\$2,436,465**

Jessica became a millionaire on her first trip to Las Vegas!  
She celebrates with her Dad Frankie, Aunty Teri, Kailau and Andy.

# Aloha from Las Vegas!

As 2008 comes to a close, I'd like to extend a special thank you to all of our fantastic customers for your loyal patronage this year. We are honored that you continue to visit us when traveling to Las Vegas and we hope that each experience you have with the California, Fremont and Main Street Station hotels exceeds your expectations.

Customer service is our first priority and we are continuously developing new ideas and activating programs that we believe will improve your experience while staying and playing at our properties. I hope you noticed a great improvement on slot service times during your last visit. This year we have purchased and implemented a state-of-the-art slot floor management system that has helped us improve our service times by approximately 66%. In October, on average any customer who pressed a slot service button received a response from one of our team members in 1 minute and 34 seconds!

This year also marked the celebrated launch of the new players club program, B Connected. This is new program expands your options while playing slots and table games at our properties. You can Pay with your Points and receive a 40% discount on your meals and a 10% discount at the gift shop. Plus, you can earn and redeem benefits and points at any participating Boyd Gaming casinos in Las Vegas and nationwide. Do you have a Bconnected account? Sign up for a card or manage your current account online at [www.bconnectedonline.com](http://www.bconnectedonline.com)!

We have exciting initiatives and events in store for 2009 and we hope to see you at the Cal, Fremont and Main Street Station!
