WOODFIRE GRILLE CRAFTED COCKTAIL MENU

Woodfire Grille features a crafted cocktail program unmatched in the tri-state area. Developed by our team of creative mixologists, this cocktail menu is a collection of classic cocktails and modern creations.

In a world where people are turning to pre-mixed, pre-packaged, and manufactured options for their cocktails, the Woodfire Grille maintains a strong commitment to our community through locally grown fresh ingredients, house made mixers, and the highest level of service for its customers.

Cocktails have been part of American history for over 225 years and as with most things cultural, preferences shift and tastes can sometimes take unusual turns. The Woodfire Grille however, would like to assure you that the classic cocktail – the harmonious and pleasing of flavors, the perfect marriage of spirits mixed with a hand-picked and a local selection of juices and garnishes - is at the heart of what we do.
