

The mission of Woodfire's wine program is to bring our unique selection to you in an environment of total enjoyment. We're using uncommon methods to accomplish this:

Temperature-controlled wine storage – 45° for sparklers, 50° for whites, 59° for reds.

A state-of-the-art Enomatic wine tasting system allows you to sample 32 of our wines, each one delivered to your glass in perfect condition.

Woodfire Grille wine program is bolstered by our incredibly low pricing structure. It is our belief that great food should be served with great wine at a great price.

Many of our wines are specially allocated and we may only have one or two bottles of those selections on hand.
