Mystery Prize

WHEEL

Promotion Name: Prize Wheel

Promotion Dates: Every Thursdays in June and July 2017

- June 1, 8, 15, 22, 29
- July 6, 13, 20, 27

Promotion Times: 6:00pm until Midnight

Promotion Rules: This promotion is a “hot seat” drawing held in the Kansas Star Casino poker room. (A “hot seat” is a randomly selected winner who is actively playing on a player’s club card.) We will use “Bravo Random Seat” (a computer animated program designed for this type of promotion) to randomly pick a winner each half hour. Once every half hour during the promotion (no one will be seated 5 minutes prior to a drawing) a player will be chosen.

The hot seat winner that is selected will go to the wheel and give it a spin. The wheel must complete at least one full rotation for the spin to be valid, or the player will spin the wheel again. There are 36 chances on the wheel. Whatever monetary amount the wheel lands on the player will be awarded that amount in Casino value chips. Some prizes include a splash pot. A splash pot is free chips that are added to a pot, before the cards are dealt. The prize winner will return to their table and the next pot that the player is eligible for will have the splash pot added.

Tables at which Omaha Poker is being played are not eligible for this promotion.

Promotion Details: All prizes given away during this promotion will be paid from the poker promotional fund. At the start of the promotion there will be an inventory log created with the quantities of items available to be given away. The Poker Room Supervisor or higher ranking casino official will fill out the inventory log when issuing the prize. The winner of the prize will simply have to sign for the item. Possible prizes and number of positions on the wheel:
