7. Registration for the contest begins Tuesday, August 30, 2016 at 7:00 p.m. at which time contestants may also enter their picks for week one (1) of the contest.
8. Each week all members will be given one (1) free set of picks. Anyone with more than one (1) set of picks will be disqualified for that week.
9. Each week's contest picks may be entered no earlier than 7:00 p.m., each Tuesday, and no later than noon the following Sunday, with the exception of week 16, in which case entries must be turned in no later 12:00 p.m. Central time on Saturday, December 24th.

12. Each week, contestants will enter their picks and a score in the selected tie-breaker game via a touch screen selection at the kiosk. Once an entry is selected it will appear with all "Favorites" marked on the entry and a tie-breaker amount. Before submitting their picks, contestants will have the option of changing any of the selections on the entry, as well as changing the pre-populated tie-breaker. Contestants will also have the option of using a "Quick Picks," a "Home Team," or a "Favorites" button. The "Quick Picks" button will automatically make the selections randomly. The "Home Team" button will select teams that are scheduled to play at home at the time the promotion begins each week. The "Favorites" button will automatically select the teams who are favored according to the point spreads assigned to the teams at the time the promotion begins each week. For Pick'em games, where there are no point spreads, the Home Team will be considered the Favorite. Contestants may then change any or all of the selections before submitting.
13. Once the contestant selects the submit button for each one of their picks, the pick is final and changes will not be permitted. It is the player's responsibility for verifying the accuracy of their picks prior to selecting the submit button. Once the pick has been submitted via the kiosk, a paper copy of their picks will be generated at the kiosk. If a copy of the picks is not generated, contestant may go to the B Connected/Lucky Star Players Club to get a printed copy of their picks. A printed copy of the picks is not required to win.
14. The contest involves picking the winning teams of selected games during each week for the Pro Football 2016 regular season's Sunday and Monday games (maximum 16 games during any one (1) week). The contest runs from week #1 of the 2016 regular season through week #17 of the

15. For contest purposes, there are **no point spreads** on any of the football games. **Point spreads presented on the kiosk are informational only.** The team winning the game is the winning selection. If a Sunday game that is initially part of the contest at the time the promotion begins each week is subsequently postponed until a date beyond the following Monday, then both sides of that game will count as a win. If the Monday night game is canceled or postponed beyond Monday, then either team selected will count as a win.
