Booking a Room is Easy!

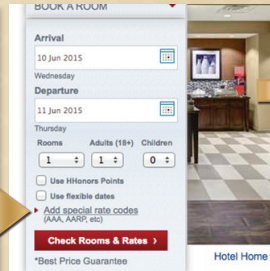

Go to KansasStarCasino.com and click on the "STAY" tab.

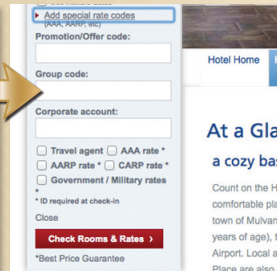

Click on the hotel section with the description.

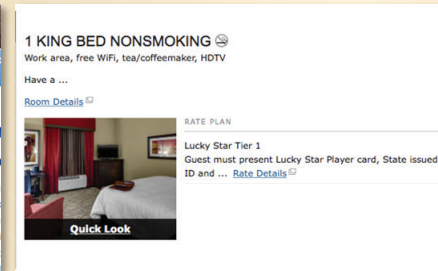

Further down the screen, locate the "VISIT HOTEL WEBSITE" button and click on it.

After entering the dates you would like to stay, click on the red arrow next to "Add special rate codes".

Enter the three letter code into the "Group code" section, and then click "Check Rooms & Rates".

The following screens will finish the reservation process. Please call the hotel if you have not received an email confirmation within an hour of booking the reservation.
