Tournament Name: Friday High Noon Tournament

Tournament Dates: Every Friday starting July 8, 2016 and ending Friday, December 30, 2016.

Tournament Times: Registration starts at 10:00am. Tournament starts at 12:00pm.

Tournament Rules: Tournament buy-in is \$45 total, which will be divided as follows: \$10 rake to the casino, \$5 dealer gratuity, \$5 to the "Tournament of Champions Prize Pool" and \$25 to player prize pool. All players will receive \$2,500 in tournament chips at the table. In addition, each player is given an option to purchase an extra \$1,000 in tournament chips for \$5, all of this money shall go directly to the dealer's gratuity pool for the tournament. Players must decide to make this one time purchase, before their play begins. "Tournament of Champions Prize Pool" is a prize pool that will be building each quarter for a 'free roll' style tournament for only tournament players.

This will be a no-limit Texas Hold'em poker tournament, meaning any player can bet all of their chips at any time. Tournament capacity at the start of the tournament will not exceed 100; however there will be no maximum number of entrants. All tournament play will be held within the poker room

Registration will continue until the first break, based on availability. Until first break any player being knocked out of the tournament may reenter by paying full registration fees and will be treated the same as any new player entering the tournament for the first time. Players may only reenter an unlimited number of times until the first break, and no one will be permitted to register after the first break.

Levels will be 20 minutes in length with a 10 minute break after 4 levels of play. Tournament will conclude when one player has acquired all the tournament chips in play, or if players agree on a distribution of the prize pool. A poker room supervisor or higher ranking casino official will then pay the player prize pool in casino value chips at the final table. Payouts will be determined by the attached spreadsheet, (unless the players agree upon a different distribution of the player prize pool).

Additional points will be earned by placing in this tournament, which will be applied toward entry into the Tournament of Champions to be held in January 2017: 1st place= 10 points, 2nd place=9 points, 3rd place=8 points, 4th place=7 points, 5th place=6 points, 6th place= 5 points, 7th place=4 points, 8th place= 3 points, 9th place=2 points, 10th place= 1 point

Except as otherwise stated herein all Kansas Star Casino "Texas Hold'em Poker" rules of play will apply. The Kansas Star Poker Room adheres to all Poker Tournament Directors Association tournament rules, a copy of which may be obtained at the poker podium.

Tournament Details:

Tournament sign-ups will begin at 10:00am for all players on a first come first serve basis. A Poker Cashier or Poker Supervisor or higher ranking casino official will collect the buy-in and use Bravo Tournament Watch system to fill out the Tournament Entry Form. Each player will then be assigned a seat at random. All tournament prize money will be paid out of the poker tournament player prize pool (the \$25 collected from each player).

Once the winners are decided the Poker Supervisor or higher ranking casino official will fill out a tournament Distribution Form, have the guest sign it and pay the guest in value chips. Surveillance will be called to observe the entire process. The dealers' gratuities (\$5 per player plus \$5 for each optional purchase of tournament chips) will be totaled, and divided among the tournament dealers based on the number of tables they actually dealt at during the tournament. The dealers will sign a dealer's gratuity form to confirm the number of tables they dealt at and confirm their share of the gratuities. All monies collected for house rake (\$10 per player) will be dropped in a Poker rake box along with tournament drop paperwork. During this process Surveillance will be called to observe. There will be no sponsors or promotion money used for this tournament. At the end of the gaming day the Tournament Distribution Form will be sent to Accounting. Using a paid in slip, the \$5 collected from each player will be deposited into the main bank until the Tournament of Champions Tournament. Record of the deposit will be kept in the poker room.
