

Production Guide

Orleans Arena
4500 West Tropicana Avenue
Las Vegas, Nevada 89103

FROM THE DESK OF
DARREN DAVIS – EXECUTIVE DIRECTOR

Coast Casinos, a subsidiary of Boyd Gaming, owns and operates the Orleans Arena. As part of a \$140,000,000 property expansion project, the \$85 Million Dollar Arena opened its doors back in May of 2003 and introduced a new entertainment venue to Las Vegas like no other.

The physical design and aesthetics of the facility mirror that of the Orleans Hotel & Casino. The French Quarter “feel” is evident throughout the facility and the Mardi Gras theme is carried out with the building décor.

The Orleans Arena hosts a variety of events, with over 200 events each year. These events include major touring concerts, rodeos, ice shows, family shows, corporate events, trade & consumer shows plus a variety of motor sports (including Las Vegas’ only indoor Monster Truck Show). The Orleans Arena is also home to the professional sports franchises, the ECHL’s Las Vegas Wranglers hockey team and annually hosts two NCAA basketball tournaments.

We offer a full time staff of highly trained professionals in the various fields of Arena management. We also employ a large part-time staff of dedicated and experienced ushers, food & beverage, security and production personnel. I am confident that your event will receive the best possible service to be surpassed by no other.

The location of the Orleans Arena is ideal. Located just 1 1/2 miles West of the Las Vegas Boulevard, and situated between two major cross streets (Tropicana Blvd. & Flamingo Blvd.), access to and from the facility is very easy. Las Vegas’ McCarran International Airport is only 10 minutes away from the Arena.

The Orleans Hotel & Casino offers your customers the convenience of both gaming and dining prior to or after any event. Being one of the top Five largest casino floors in Las Vegas, the Orleans Hotel and Casino offers a level of gaming matched by few others. With 2,000 hotel rooms, 70 lanes of bowling, 18 screen movie theater and 12 restaurants to choose from, your customers will be completely satisfied with their additional entertainment options.

Thank you for your interest in the Orleans Arena. The following information is intended to better acquaint you with our facility and our services. Please take a moment to familiarize yourself with this Production Guide. If you have any further questions, don’t hesitate to contact any of our staff for further information. Again, thank you and we look forward to hosting your event here at the Orleans Arena.

1. BOOKING PROCEDURES:

1-a Promoter Application

All prospective tenants will need to complete a Promoter Application prior to placing any dates on hold at the Orleans Arena. This application will help us better understand what type of event you are bringing and your previous event experience.

Upon return of the completed Promoter Application, Orleans Arena management will review the application and, in its sole determination, make a decision concerning the event requested based on the following criteria:

1. Comparison to other event applications
2. Event feasibility
3. Applicant's previous event experience and capabilities
4. Applicant's financial capabilities
5. Availability of requested dates

1-b Date Holds / Hold Rankings

After consideration by Arena management, a date will be placed on a hold status. This does not guarantee an event date; it simply is a temporary hold for that date. There may be multiple holds for one single date. If this is the case, your event will be assigned the next available hold status (#1, #2, #3....)

1-c Date Hold Challenges

If you do not have the first hold on a particular date and wish to confirm that date, you must provide a deposit (typically 50% of rental fee) to challenge the date. Once we receive the deposit, we will contact the higher-ranking holds and give them the opportunity to confirm or release the date. If they confirm the date, your deposit will be returned to you.

1-d Confirmation of Date

The next step in the booking process is completion of the License Agreement. This is the rental agreement between your event and the Orleans Arena. Along with a fully executed License Agreement, you will need to provide a copy of your contract with the Artist (if applicable) and a deposit payment. If you already provided a deposit to challenge a date, that deposit will be applied towards the event.

1-e License Agreement

All prospective tenants will need to complete a License Agreement. This agreement will outline the financial terms and all other details concerning the rental of the building. You will receive two copies, both copies need to be signed and returned to our office. We will sign and return a fully executed original copy to you. No event is confirmed until a fully executed License Agreement is completed.

1-f Insurance Requirements

For all events occupying space in the Orleans Arena, the Tenant must provide insurance in the amount of \$2,000,000 General Liability. The Tenant must supply the Orleans Arena with a certificate of insurance naming "*Orleans Arena, Coast Casinos; it's officers, agents and employees*" as additional named insured on the policy. Details of this insurance requirement are outlined in the License Agreement. Certificate of Insurance must be submitted at least 30 days prior to the event.

1-g Post-event Settlement

At the conclusion of the event, the Tenant will be responsible for all outstanding facility expenses per the License Agreement. Settlement will typically take place at the conclusion or near the end of the event. At settlement, the Tenant will be presented with all available documented facility expenses, including but not limited to: applicable taxes, rent balance, facility fees, marketing, staffing, production charges, conversion labor, box office labor, medical personnel, security etc. Charges for any and all event expenses incurred will be deducted from the ticket proceeds and the balance will be available to Tenant.

1-h Payment

If prior arrangements are made, a check can be produced the night of the event for the balance of ticket revenue. Otherwise, proceeds from the event will be available to the Tenant the next business day. Payments can be made by check or wire transfer to the Tenant's account.

If an amount is due to Orleans Arena at the conclusion of the event, Tenant may make a cash payment or certified check made payable to Orleans Arena.

2. BOX OFFICE / TICKETING:

2-a Coast Ticketing

The Orleans Arena operates its own ticketing system (Coast Ticketing). Tickets for Arena events are sold exclusively on this system. There are multiple sources of ticket sales for events held at the Orleans Arena.

2-b Box Office Locations

The Orleans Arena Box Office is located near the main entrance (next to the parking garage). The Arena Box Office is open on event days only. Depending on the event start time, the box office will open at 4:00 pm and remain open until approximately one hour into the event. On non-event days, tickets will be available at the following locations:

Other Coast Casino Properties:

The Orleans Hotel & Casino	4500 West Tropicana Avenue
Gold Coast Hotel & Casino	400 West Flamingo Boulevard
Suncoast Hotel & Casino	9090 West Alta Drive

Coast Ticketing Outlets:

Gallery at Sunset Mall	Sunset & Stephanie (off I-95 or I-215)
------------------------	--

2-c Call Center

The call center for the Orleans Arena is operated 7-days per week. Guests may purchase tickets over the phone and choose to have their tickets mailed or left at the arena box office in Will Call the night of the event. Tickets may be purchased by calling one of the following numbers:

Local Calls: 702-284-7777

Toll Free: 1-888-234-2334

2-d Website Orders

Coast Ticketing offers the option of purchasing over the web. Patrons can visit www.Orleansarena.com to see a seating diagram of the event, get a brief description about the event, and purchase tickets on line.

3. SEATING / MANIFESTS:

3-a Capacities

Retractable Seating

(Lower 6 rows on the East, South and West sides)

There are 1,405 seats on the retractable risers. These risers can be extended or retracted under the permanent seating based upon event needs. The retractable seats are accessible from the main concourse level (2nd level) or floor level via two floor entrances.

Permanent Seating

(Upper 20 Rows of horseshoe style seating)

There are 5,736 permanent seats inside the arena. We offer 22" wide padded seats with cup holders and ample legroom in each aisle. All of the permanent seating is accessed from the main concourse.

Temporary Floor Seating

(Floor seating varies depending on placement of stage, stage size & mix position)

Maximum floor seating is approximately 1,780 with a 60' x 40' stage on the far North end and with the retractable seating extended.

Floor seating is accessible from the permanent seating aisles or the two main floor entrances.

Disabled Seating Sections

There are ample accommodations for disabled seating. The Orleans Arena has 52 permanent wheelchair spots and 52 additional companion seats. All disabled seating is accessible via the Arena main concourse (2nd level). There are three elevators that service the concourse level from the ground floor.

Suite Seating (No Public Seating)

There are (20) VIP Suites with 12 - 22 seats in each depending on the size of the suite. There are an additional (2) Party Suites that can accommodate up to (36) people each. Party Suites are rented on an event-by-event basis. Contact our Director of Corporate Sales for details.

Club Seating (No Public Seating)

On the South end of the Arena (above Sect. 110) is the Club Seating Section. There are 248 Club Seats with a lounge area and a full service premium concession stand and bar. Contact our Director of Corporate Sales for details.

4. FACILITY DESCRIPTION:

4-a Public Entrances

There are three public entrances into the Orleans Arena. All three entrances are located on the South side of the facility. The main entrance is located off of the Hotel / Casino (entrance leads to 2nd level concourse via escalators or elevator). There are two additional entrances, one on the Southeast corner and one on the Southwest corner of the facility. These two entrances are at the ground floor (1st level) and lead to both the arena floor and the concourse.

4-b Event Level: (1st Floor) **See Appendix for Diagram*

The Event Level is primarily the production level. This level is where all of the locker rooms and star rooms are located as well as the meeting rooms and office space etc. The kitchen facility and building storage space are also located on this level.

4-c Concourse Level (2nd Floor) **See Appendix for Diagram*

Over 71,850 sq. ft of granite lined flooring with ample space for vendors and displays. The concourse can accommodate up to 40 (10'x10') display booths in conjunction with any Arena event. Plasma screen monitors line the concourse and offer live footage of the event. All permanent seating is accessed from this level through one of the 20 seating portals.

4-d Club & Suite Level / Big Easy Lounge: (3rd Floor) **See Appendix for Diagram*

This area is reserved for the exclusive use of the Club & Suite holders during events. Also on this level is the Big Easy Lounge. The Big Easy is available to Tenants of the Arena prior to or after events for special functions.

4-e Loading Docks

The loading docks and production area are located on the North side of the facility. The Orleans Arena offers a 13,000 sq. ft. interior staging and storage area with four ground level loading dock doors (*two* – 30'w x 15'h, *one* – 22'w x 15'h and *one* – 12'w x 15'h door). Additionally, there are two truck height loading dock locations. All total, events can load / unload up to 8 trucks at one time.

4-f Elevators

There are elevators located at each of the three public entrances. Additionally, there are (2) freight elevators located on the North side of the building. The large freight elevator 10' x 24' accesses building levels 1 – 3 and the small freight elevator 6' x 8' access building levels 1 – 3 as well as the catwalk.

4-g Catwalk Access / Rigging *See Appendix for Diagram

The catwalk extends over the entire Arena floor from North to South and East to West. The catwalk includes a spotlight bridge on the South end of the facility. Our elevator access and solid steel flooring make our catwalk easily accessible and safe.

4-h Arena Floor

The arena floor is 240' x 120' for a total of 28,800 square feet when the retractable seating is stored.

Our floor is 214' by 85' for a total of 18,190 total square feet when the retractable seating is extended.

4-i Meeting Rooms *See Appendix for Diagram

All of the Arena meeting rooms are located under the seating in Section 110. The Gold Meeting Rooms may be divided into three separate spaces using moveable air walls - Gold A, Gold B and Gold C, or paired A-B or B-C. All meeting rooms include overhead sound system and dimmable lighting.

10. HOUSE PRODUCTION LABOR:

** Please contact the Arena Production Manager for current rates and scheduling.*

The Orleans Arena offers a variety of staffing services from our exclusive in-house departments. The Orleans Arena is a “non-union” building. However, most staffing must be supplied through the in-house Production Departments.

Stagehands and Riggers are available through our Arena Production Department. Tenants are required to use Orleans Arena Riggers and Stagehands, but may bring in additional touring crew for the event.

All Orleans Arena staffing is based on a four (4) hour minimum and must be arranged through the Arena Production Manager in advance of the event.

11. RIGGING: **See Appendix for Diagram*

The Orleans Arena has an extensive roof structure that can accommodate almost all concert rigging currently on tour. Working conditions are safe and easy due to the ample catwalk access and Safety Fall Arrest System. The rigging structure is open trusses with 12’ spacing (beam to beam).

Maximum total rigging load over North end	150,000 pounds
Maximum total rigging load over Center	65,000 pounds
Total rigging load per truss not to exceed	50,000 pounds
Total rigging load per point not to exceed	4,000 pounds

* The floor to low steel ceiling height is approximately - 61 feet.

12. AUDIO / VISUAL INVENTORY:

The Orleans Arena has an array of in-house Audio and Visual equipment perfect for meeting room functions as well as small arena productions. The Arena also has a wide variety of vendors to support any size production.

** Please contact the Arena Production Manager for current rates and availability.*

13. VIDEO BOARD / LED RIBBON:

Main Video Board - Located on the North wall of the Arena, behind the stage, is our video board. It is a 27' x 21' - 16mm Daktronics LED Prostar. We are able to broadcast live footage, pre-recorded commercial spots and show sponsor logos or graphics during the event.

Additional Video Boards – Located above Sections 107 & 113 are Two 9' x 12' (10mm) Daktronics LED screens. These screens show the same image as the Main Video Board during events.

Video Ribbon – The interior of the Arena is surrounded by a 700' continuous Daktronics 23mm ProAd video ribbon. The ProAd can run (avi's) that are 32 pixels high by 9,264 pixels wide. All programming and design is done in-house by our Production Department.

Video Control Room – Within the Arena is located a full service Video Control Room. This room is completely equipped with everything necessary for a fully "In-house" televised event. The in-house inventory includes: (3) JVC 550 Cameras, (1) Ross Synergy 2 switcher, (2) Daktronics V'Play Clips machines, (1) Chyron DUET, (1) Whiplash2 replay system, including all the gear to drive it. Our in-house Video Services Department is capable of handling any show of any size. Our control room also houses a fully digital non-linear editing suite complete with multi-layering Final Cut Pro. Software also available includes Lightwave, Adobe PhotoShop, Adobe After Effects, and all the FX's you need for a fast edit.

14. SECURITY POLICY:

14-a Las Vegas Metro Police

For certain events, Orleans Arena management may require the presence of local law enforcement during the event. If so, Las Vegas Metro Police will be used. It is the sole decision of Orleans Arena management as to the number of officers necessary for events.

14-b House Uniformed Security Staff

The Orleans Arena utilizes an in-house security staff for all events. The Security Department consists of thoroughly trained un-armed uniformed personnel. The security staff provides services for all guests and performers. The arena operates a 24-hour security command post located near the Northeast entrance of the facility. The Orleans Arena has over 300 video cameras used for the observation and protection of guests and performers while in the facility. Security levels are dictated by the type of event and crowd size. It is the sole decision of Orleans Arena management as to the number of officers necessary for events. Certain events may require additional officers due to the demographics, event history or large alcohol consumption etc.

14-c T-Shirt Security

Orleans Arena also utilizes T-Shirt Security in certain key locations during events. One of the functions of the T-Shirt Security is the entry search. For the protection of guests, performers and staff; all guests entering the facility will be subject to some type of inspection and/or search.

Visual Inspection:

For all events, a visual inspection of guests entering the facility will be conducted. This visual inspection may include but is not limited to:

- Visual scan of all guest as they enter
- Guests may be asked to open their coats / jackets etc.
- Guests may be asked to open their backpacks or large bags, etc.

Full Search:

For certain events, a full search of each guest will be conducted at the entry points. The extent of the search will be determined by the type of event and the potential for patrons to bring unauthorized items into the facility. This full search may include but is not limited to:

- Removal of Coats / Jackets for closer inspection
- Search of all backpacks or large bags, etc.
