## TOURNAMENTS PLAYED IN THE MONTH

---

## RULES

1. Participants in all regularly scheduled “daily” tournaments are eligible.
2. In order to participate in this promotion, you must sign up for, or already be in possession of, a “B Connected” casino rewards card. “B Connected” Cards may be obtained at the poker room podium, “B Connected” club booth, and at other various gaming locations on property.
3. This promotion will be run in addition to The Orleans’ Tournament Player of the Month promotion (TPOM).
4. Each month, the four (4) players that have participated in the most tournaments will divide the prize monies as follows: 50% for first place, 25% for second, 15% for third, and 10% for fourth.
5. The prize monies for each month’s competition will be comprised of the total amount of the tournament promotional fund, minus the monies awarded to the Tournament Player of the Month competition.
6. Each month is a separate competition that begins with the first 12:05pm tournament, and ends with the final 7:05pm tournament. The amount of monthly tournaments played will be tracked and documented for each participant.
7. A TPIM standings sheet will be maintained and updated weekly, and will be available for participants to view.
8. In the event of a tie/s for any of the top four TPIM positions, tiebreakers will be decided by calculating the total amount of buy-ins during the month for each player. The highest amount of buy-ins for the month will prevail. If a tie still exists at that point, the monies will be divided evenly among the remaining players within each position.
9. Winners will be paid on or after the 5th day of the following month.
10. Orleans Poker Room employees are not eligible.
11. Orleans general poker rules and daily tournament rules apply.
12. Management reserves the right to disqualify anyone found not adhering to these rules.
13. Management reserves the right to cancel or amend this promotion at its sole discretion, and without prior notice.
14. Any dispute or situation not covered by these rules shall be resolved by the property’s management in a manner that is fair to all parties. If the patron is not satisfied with management’s decision, he/she may exercise their rights under NRS 463.361 et eq., and request the Nevada Gaming Control Board to review the matter.
