- Add-On:** A single add-on is available in certain tournaments, and may be taken anytime from the start of the tournament through the end of the fourth level. Players will receive an additional \$5,000 in chips when purchasing the add-on.
- Re-Entries:** Are allowed through the end of the first break. Those wishing to re-enter will be placed back into the tournament promptly, as long as seats are available. If an alternate list exists, those wishing to re-enter will be placed at the bottom of the alternate list.
- Bounties:** Select tournaments offer a cash prize (bounty) to players when they eliminate another player from the tournament.

20 minute levels for all Limit, and \$50 tournaments;
30 minute levels for the \$100 & \$125 No Limit tournaments.

Management reserves the right to modify or cancel this schedule and structure at its sole discretion and without prior notice.
