

## 2014/2015 PICK THE PROS CONTEST RULES

1. As used herein, "Boyd" means Boyd Gaming Corporation.
2. Delta Downs will be conducting a weekly contest open to all B Connected members. This contest will be made available during the 17 weeks of the regular football season. Contestants will be able to win cash and prizes weekly as well as over the course of the season.
3. All contestants must be B Connected members. Entry is FREE.
4. Membership in B Connected is free and is available at the B Connected Club for those at least 21 years of age.
5. The contest will be administered via approved MGT Kiosks.
6. Contestants need to activate their registration and accept the terms and conditions of the contest at the kiosk. This will be their valid registration for the entire season.
7. Registration for the contest begins Tuesday, August 26, 2014 at 7:00 p.m. at which time contestants may also enter their picks for week one (1).
8. Each week all members will be given one (1) free pick. Anyone with more than one (1) entry will be disqualified.
9. Each week's contest picks may be entered no earlier than 7:00 p.m., each Tuesday, and no later than noon each Sunday.
10. Contestants must register **in person at the kiosk**. Valid B Connected members must enter their PIN (personal identification number) each time the B Connected card is swiped at the kiosk.
11. Each week, contestants will enter their picks and a score in the selected tie-breaker game via a touch screen selection at the kiosk. Once an entry is selected it will appear with all Favorites marked on the entry and a tie-breaker amount. Contestants will have the option of changing any of the selections on the entry, as well as changing the pre-populated tie-breaker. Contestants will also have the option of using a Quick picks, a Home Team, or a Favorites button. The Quick picks button will automatically make the selections randomly. The Home Team button will select teams that are scheduled to play at home at the time the promotion begins each week. The Favorites button will automatically select the teams who are favored according to the point spreads assigned to the teams at the time the promotion begins each week. For Pick'em games, where there are no point spreads, the Home Team will be considered the Favorite. Contestants may then change any or all of the selections before submitting.
12. Once the contestant selects the submit button for each one of their entries, the pick is final and changes will not be permitted. It is the player's responsibility for verifying the accuracy of their picks prior to selecting the submit button. Once the pick has been submitted via the kiosk, a paper copy of their picks will be generated at the kiosk. If a ticket is not generated, contestant may go to the B Connected club to get a printed copy of their picks. A printed copy of the ticket is not required to win.
13. The contest involves picking the winning teams of selected games during each week for the pro football regular season's Sunday and Monday games (maximum 16 games during any one (1) week). The contest runs from week #1 of the 2014 regular season through week #17 of the 2014 regular season.
14. For contest purposes, there are **no point spreads** on any of the football games. **Point spreads presented on the kiosk are informational only.** The team winning the game is the winning selection. In the case of a tie, either team selected will count as a win. If a game that is initially part of the contest at the time the promotion begins each week is subsequently postponed until a date beyond the following Monday, then both sides of that game will count as a win.
