

“Pick the Pros”

September 1, 2015 - January 3, 2016

Rules & Regulations

The Promotion will be conducted on the dates indicated above and offers B Connected® members the chance to win prizes when they enter their pro football picks during the regular season via MGT promotional kiosks. Patrons must have a B Connected card to participate in this giveaway. The B Connected card can be obtained for free.

Obtaining Items

Participants need to register and accept the terms and conditions of the promotion at the kiosk. This will be their valid registration for the entire season. The promotion begins Tuesday, September 1, 2015 at 7:00 pm at which time participants may also enter their picks for week one (1).

Each week all card members will be issued one (1) free promotion card. Anyone with more than one (1) entry will be disqualified. Each week’s promotion entries may be entered no earlier than 7:00 pm each Tuesday and no later than Noon each Sunday.

B Connected members must submit their weekly cards in person at the kiosk and must enter their PIN.

Any game played outside of the United States is not included as part of the weekly pick.

Each week, participants will enter their picks and a score in the selected tie-breaker game via a touch screen selection at the kiosk. Participants will select their choice of game winner by touching the team name on the kiosk screen. Once the weekly card is selected it will appear with the selected games for the week.

Participants will also have the option of using a Quick Picks, a Home Team or a Favorites button. The Quick Picks button will automatically make the selections randomly. The Home Team button will select teams that are scheduled to play at home at the time the promotion begins each week. The Favorites button will automatically select the teams who are favored according to the pointsreads assigned to the teams at the time the promotion begins each week. For Pick’em games, where there are no pointsreads, the Home Team will be considered the Favorite. Contestants may then change any or all of the selections before submitting.

Once the participant selects the submit button for each one of their entries, the entry is final and changes will not be permitted. It is the player’s responsibility for verifying the accuracy of their picks prior to selecting the submit button. Once the entry has been submitted via the kiosk, a paper copy of their picks will be generated at the kiosk. If a ticket is not generated, participant may go to the B Connected club to get a printed copy of their picks. A printed copy of the ticket is not required to win.

The promotion involves picking the winning teams of selected games during each week for the pro football regular season’s Sunday and Monday games (maximum 16 games during any one (1) week). The promotion runs from week #1 of the 2015 regular season through

week #17 of the 2015 regular season. The team winning the game is the winning selection. In the case of a tie, either team selected will count as a win. If a game that is initially part of the promotion at the time the promotion begins each week is subsequently postponed until a date beyond the following Monday, then both sides of that game will count as a win.

Weekly Prize Promotion: Prizes will be awarded each week to all participants based on their weekly rank, which will be determined by their total number of correct picks for the week. In the case of ties:

The first tie-breaker: The participant who comes closest to picking the combined score on that weekend's selected tie-breaker game will receive the higher rank.

The second tie-breaker: If the first tie-breaker does not determine rank, the participant with the earliest electronic time stamp that is generated by the kiosk for that week's promotion will receive the higher rank.

Possible prizes associated with weekly ranking are as follows:

Rank 1 thru 10: \$100, \$150, \$200, \$250 in Slot Dollars

Rank 11 thru 25: \$50, \$60, \$80 in Slot Dollars or Dinner for two (2) in Boyd's Steakhouse (\$80 value).

In the event that the number of participants with the same number of winning picks during any one (1) week of the promotion exceeds one hundred (100), the tie-breaker rules outlined earlier will be utilized to determine participant rank. Under no circumstance will Par-A-Dice Hotel Casino be required to award a ranking to more than one hundred (100) participants for any one (1) week of the promotion. Participants may swipe their B Connected Card and enter their PIN at a kiosk or check their B Connected online account after 7:00 pm each Tuesday to see if he/she qualified for a Slot Dollar or prize offer on the following Sunday.

\$100,000 Prize Pool:

Participants who make at least twelve (12) correct picks in at least fifteen (15) different weeks will be eligible for a \$100,000 cash prize. In the event that multiple participants are eligible for the \$100,000 prize it will be split between all eligible participants. The prize pool

will be paid out to all eligible participants at the season finale. If no one qualifies, the \$100,000 prize will not be distributed.

Season MVP:

Weekly rankings will be tracked throughout the promotion to determine a Season MVP. This participant will be awarded with \$1,000 cash and a trophy at the season finale. Determination of the MVP will be based on a cumulative points rating system in which ranked participants will receive a point value for their weekly rank. The points assigned to each weekly rank will be awarded in a reverse order (i.e. Rank one (1) receives one hundred (100) points and Rank one hundred (100) receives one (1) point). Unranked participants will receive a point value of zero. The participant with the highest point total at the end of the season will be named the MVP.
