

2013 PrimeTimers Tournament

OFFICIAL RULES

1. ALL ENTRANTS must be 50 years of age or older as of June 3, 2013. Each new* entrant must be able to provide, at check-in, proof of age by an official photo ID. A driver's license works well for this. Please do NOT send proof of age with your entry form, just bring it with you to the tournament. *Bowlers that have participated in the PrimeTimers Tournament in the past 5 years are exempt from providing age verification again.
2. The main tournament is comprised of 5 separate events: Women's Singles; Men's Singles; Mixed Doubles; Women's Doubles and Men's Doubles. Each of these events is divided into 3 equal size average divisions based on the initial majority of entries. Singles and Doubles events are 3 games of No-Tap bowling. Tournament lanes are conditioned only once each day prior to the first squad.
3. The Bowler Package (\$90/person) includes one entry into Singles and one entry into Doubles (your choice of mixed or same gender). Sweeper entries are OPTIONAL and are NOT included in the Bowlers Package. All re-entries for Singles or Doubles are \$30 per person. On your original entry you may re-enter Doubles up to two times. This would give you a maximum total of 3 Doubles entries. We do NOT accept re-entries for Singles on original entry forms. Singles re-entries and additional Doubles re-entries will be available at the tournament after June 2nd.
4. Your entering average is your highest final average of 21 games or more from the 2011-2012 season. If you do not have a 21+ game average from 2011-2012 you will use your current season average of 21 games or more as of January 1, 2013. If you do NOT have a verifiable 21+ game average from 2011-2012 or the current 2012-2013 season, please contact the tournament director for assistance. If no verifiable average is available, entries must be rated as scratch (220 average).
5. Average verifications must be submitted with your entry form. Bringing verification to the tournament is NOT an option. Acceptable methods of verification would be a copy of the page listing your name from your local association's average manual, your final average card, final dated league sheet, or a printout of your average information from USBC's bowl.com (upper right corner "find" menu). Handwritten verifications are NOT acceptable.
6. Handicap shall be 90% from a base 220 average for both men and women. There is no minimum entering average and we do not use negative handicaps.
7. Prize money is returned at a ratio of 1:6. Bowlers may cash only once in Singles and only once with the same partner in Doubles.
8. Entry fees are payable by check or credit card if mailed. For hand delivered entries, cash will also be an acceptable payment form. If you choose to pay by credit card, please include your name as it appears on card, the card number and the expiration date. Please submit this information on a separate piece of paper. We will shred this information as soon as the payment is processed.
9. Check-in will be held on Monday, June 3rd from 9:30am until 5pm. Bowlers arriving on Tuesday or Wednesday can check-in at the tournament office.
10. Bowlers failing to show for squads by the start of practice may be replaced with stand-by bowlers.
11. Walk-in entries will be accepted up to one-hour prior to squad time if space is available.
12. Entries are limited due to lane availability and the tournament time schedule.
14. The tournament director reserves the right to re-rate any entrant prior to squad time. This tournament is not sanctioned. All decisions made by the tournament director are final.

2012 Tournament Over \$40,000.00 awarded in cash & prizes

Greetings PrimeTimers:

Here we go again with our 24th annual PrimeTimers Tournament. While we do have some changes to the tournament format, the first change is a more personal one. I have retired as the manager of the Bowling Center. One of the duties I have agreed to retain is running the PrimeTimers Tournament. Linda Spaulding has also retired from full time status here at Sam's Town. She will also continue to work on the PrimeTimers. I guess this tournament is in our blood!

Let's start the tournament changes with some great news! The bowling equipment storage pad-dock will be located on the main concourse level. The arcade space became available and we jumped at the chance to eliminate the inconvenience of the stairs. The tournament office will still be located on the mezzanine. The other major change involves Sweepers. The entry fee for each Sweeper will now be \$20 (the majority of the increase going to prize fund). Additionally, we have removed the limit on Sweeper entries. You may now enter as many Sweepers as you would like - based on availability.

Here are a few issues that come up every year when I'm processing entries. Average verifications are required with all entry forms submitted. The only time that it is correct to submit a current season average is when the bowler does NOT have a book average from the previous season. If you have an average of 21+ games from the 2011-2012 season, you must use and submit verification for that average. If the current average is required, it needs to be as of January 1, 2013. The only exception for this is if the January 1st average is less than the requisite 21 games. I cannot arbitrarily reduce an entering average due to an injury or other physical limitation. When re-entering a Doubles event, the entry fee is \$30.00 per bowler. Sweepers are totally optional and NOT included in the Bowlers Package. You do not need to wait for your entry confirmation before making room reservations. Do NOT send any proof of age documentation with your entry. Credit card information should be provided on a sheet of paper other than your entry form or average verification. I am required to shred any credit card #'s ASAP after their use. Your entry form and average verification must be retained until after the tournament. Please make all checks payable to "PrimeTimers".

If you need to contact me, please call 1-800-897-8696 ext. 1371. Another great way to contact me is by e-mail (whitjones@boydgaming.com). With e-mails I don't have to worry about time zones and disturbing you at an inappropriate time. I look forward each year to a new mixture of PrimeTimers veterans and first-timers. I say this often, and I sincerely believe it is true - the PrimeTimers Tournament is as much a reunion of our PrimeTimer family as it is a bowling competition. Thank you for your interest in the PrimeTimers and I hope to see you in June.
