reservations

It is never too soon to make your spa appointments. Advance reservations are strongly recommended.

gratuities

Our spa staff is dedicated to exceeding your expectations and creating a memorable spa experience. You are welcome to leave gratuities at your discretion.

arrival time

Please arrive at least 15 minutes prior to your scheduled appointments time. This will allow sufficient time for you to change into spa attire, enjoy a complimentary beverage, and unwind in our lounge areas.

privacy levels

We are a cell phone and pager free facility. To ensure a tranquil atmosphere for all guests, please turn off cell phones and pagers prior to your arrival. We are also a smoke-free facility.

what if I am running late?

As our treatments are scheduled on the hour, if you arrive late for your appointment, your treatment time will be shortened accordingly. The full price of the treatment is applied.

cancellation policy

A credit card will be required to make reservations for all guests. Cancellation should be made 24 hours prior to your treatment. Failure to cancel or modify your appointment 4 hours prior to the scheduled time will result in a 100% charge for missed services.

attire

Wear whatever is comfortable. We will provide a robe and slippers for your visit. During treatments, our therapists are trained to drape you appropriately for privacy and comfort.

what if I am pregnant?

A pregnant client needs to focus on what will make her body feel especially good during this special time of her life. We suggest avoiding treatments using deep pressure, hot stones, wraps and aromatherapy facials. All treatments for pregnant women can only be performed after the first trimester.

payment

We accept all major credit cards, cash, and players cards. Spa services may also be charged to your hotel account. All prices are subject to change without notification.

age appropriate services

Spa/fitness center guests must be 18 years or older.

right to refusal

If a guest uses inappropriate language or behavior or demonstrates signs of intoxication, the spa staff has the right to refuse service.
