TOURNAMENT RULES

- Members of any national professional bowling organization are ineligible to participate as amateurs.
- Bowlers will enter the tournament using their highest verifiable average of 21 games or more in either the 2013-2014 season or the 2014-2015 season. If a bowler's current average (21 games or more) as of April 30, 2016 is 10 or more pins higher than their book average, the current average must be used (USBC rule 319a-2). Any bowler without a verifiable average will enter at 220 and bowl scratch. Average verification **MUST** accompany the entry form.
- Average verification is required in the following forms only: Print out from Bowl.com or copy of page of association book listing association name and copy of page with name and average verification on association letterhead with signature of association officer or current league standing sheet with name and signature of league secretary with date. No handwritten verification will be accepted. If no verification of average is received prior to start of squad, average will be adjusted to 220 scratch.
- Handicap: Based on 90% of the difference between average and 220. All averages over 220 will receive 0 handicap. There will be no negative handicaps.
- Entry fee must be included with entry form. Bowlers entering after May 15, 2016 might not receive their equipment the day of the Pro Am. All items will be shipped at \$20 per package.
- Re-entries permitted – cash or credit card on all re-entries.
- Each amateur will bowl (3) games on one pair of lanes. Amateur will bowl with (3) different professionals. Amateur score will be added to the (3) different professionals' scores along with amateur handicap to determine grand total. The professionals are guaranteed a minimum score of 220.
- A 9-pin no-tap format will be used. Nine pins on first ball thrown is an automatic strike.
- Check-in one hour prior to squad time.
- No personal checks will be accepted after April 30, 2016.
- First prize guaranteed at \$1,000 based on 200 paid entries. The cashing ratio will be 1 in 10. Final prize list will be based on combining the scores from both squads.
- Tournament director reserves the right to re-rate or reject any entries.
- Win extra prizes: All lanes will contain a colored pin. When an amateur bowls a strike or 9 with a colored headpin they will receive a ticket for a special prize drawing at the end of the squad. If the pro gets the strike or 9 with the special head pin, ALL bowlers on the pair will receive a ticket.
- No refunds available without seven days notice prior to the event. No-shows that purchased any equipment package will receive their equipment via UPS, for a \$20 shipping and handling fee.
