B Connected Points

General Promotion Rules:

All entrants and finalists must be at least 21 years of age, present two forms of identification, one of which is a valid government issued ID (that includes a photo and/or physical description) and provide their Social Security Number (for tax purposes only) to claim prizes.

All Participants and winners must have a B Connected Card and valid picture identification (driver's license, state identification card, current passport, alien registration card or military identification card) in order to collect prize.

Redeeming offers without playing with your B Connected card may result in removal from future offers.

Offer may not be available during system outages and software migrations.

B Rewards will be loaded to participants' B Connected card and must be used on the same gaming day prior to closure of the gaming floor; B Rewards are not redeemable for cash.

Invited participants must have their B Connected card properly inserted into a card reader at a slot or video poker machine and have an active rating to be eligible; offer is non-transferable.

Credits that are redeemed through B Connected Online (BCO) for Stardust Casino Site Credits at Stardust Online Casino may take up to 72 hours to be processed. Guests are responsible for

ensuring that their B Connected Point redemptions during this processing time do not cause their account to become overdrawn. Management reserves the right to prohibit guests from debiting their B Connected Point balance for Stardust Casino Site Credits if one is found to be fraudulently redeeming B Connected Points.

Points expire after six (6) months of card inactivity.

Emerald, Onyx, and Titanium guests have until June 30, 2021 to keep their account active and ensure that their B Connected Points do not expire. Select Sapphire guests who have a B Connected Point balance of 50,000 or more will also have until June 30, 2021 to play at any B Connected destination to keep their account active and ensure their B Connected Points do not expire.

Throughout the event, Management will ensure that functions are working properly; computer malfunction will void entries/points.
