

spa treatments: body treatments

perfect shade of blu

Ready for the ultimate 'all about you' massage? This treatment will take you on an unforgettable experience by reviving your mind, body, and spirit. It begins with a full-body exfoliation using customized masques while you enjoy a scalp massage. The treatment ends with our signature blu's chaser body massage.

salted Himalayan body wrap

A moisturizing oil rich in aloe and jojoba is applied and Himalayan salt is sprinkled on the body. Warm salt stones are then used to exfoliate the skin. Relax while a 15 minute foot rub is given with heated salt stones. This luxurious wrap is finished with a lotion application.
