14. Each week, contestants will enter their picks, and a score in the selected tie-breaker game via a touch screen selection at the kiosk. Contestants will also have the option of using a Quickpicks, a Home Team, or a Favorites button. The Quickpicks button will automatically make the selections randomly. The Home Team button will select teams that are scheduled to play at home at the time the promotion begins each week. The Favorites button will automatically select the teams who are favored according to the pointsreads assigned to the teams at the time the promotion begins each week. 15. Contestant must submit their weekly entries **in person at the kiosk**. 16. Once the contestant selects the submit button for each one of their entries, the entry is final and changes will not be permitted. It is the player's responsibility for verifying the accuracy of their picks prior to selecting the submit button. Once the entry has been submitted via the kiosk, a paper copy of their picks will be generated at the kiosk. If a ticket is not generated, contestant may go to the nearest B Connected club to get a printed copy of their picks. A printed copy of the ticket is not required to win.
17. The contest involves picking the winning teams of selected games during each week of the pro football regular season's Sunday and Monday games (maximum 16 games during any one (1) week). Weekly winner(s) will be the contestant(s) with the highest number of winning selections. The contest runs from week #1 of the 2018 regular season through week #17 of the 2018 regular season.

18. For contest purposes, there are **no point spreads** on any of the football games. **Point spreads presented on the kiosk are informational only.** The team winning the game is the winning selection. In the case of a tie, either team selected will count as a win. If a game that is initially part of the contest at the time the promotion begins each week is subsequently postponed until a date beyond the following Monday, then both sides of that game will count as a win.
19. A total of \$30,000 will be awarded each week to the contestant(s) with the highest number of winning selections. In the case of a tie between 2 or 3 people, the \$30,000 will be divided equally. In the case of a tie between 4 or more contestants:
