

Aloha Prospective Credit Customer,

Thank you for your interest in establishing a credit account with The California Hotel and Casino, we look forward to working with you. In order to process your application, please complete the following steps:

1. Fill out the credit application **completely**.
Any missing information could delay your application.
2. Sign both signature lines on the bottom of the bank letter.
Do not fill out any other information. This letter is used for authorization to contact your bank for account verification purposes.
3. Send in a voided blank check or deposit slip from the checking account you will be using. We only accept **CHECKING ACCOUNTS**.
4. You can e-mail all of your documents back to me.

Once we receive all of the required documents, we will review your application and will contact your bank for an account rating. It could take up to 14 days to complete this process, depending on the bank's response.

After account verification, your account will be created, but you will not be approved for a credit line until you present your current ID and signed a signature card at the Casino Cage upon your next visit.

If for some reason we have a problem with your application, we will contact you. Otherwise, we look forward to seeing you on your next visit at the California Hotel and Casino.

Should you have any further questions, please don't hesitate to contact the credit department.
