Promotion Dates: Monday - Thursday in July. July 1 - 25, 2019

Promotion Times: 9:00pm until 2:00pm
(Winners awarded every hour 10:00am, 11:00am, 12:00pm, 1:00pm, 2:00pm)

Promotion Rules: Beginning at 9:00am, (first game of the day must be started by 9:30am to qualify the 10:00am payout.) all seated Texas Hold 'Em players will have the chance to be dealt the high hand of the hour. A player must have a full house or better using both their hole cards, to qualify. Player must win the pot. A tie or chopped pot is not a win. There must be a minimum of \$20 in the pot.

Once the first high hand is announced, the Card Room Supervisor or Card Room Manager will verify the hand and record it on a board within the room, which can be seen by all the poker players. The Card Room Supervisor or Card Room Manager will list the actual hand along with the leading player's name. The posted hand will be the target for all the other players to beat during the hour.

At 10:00am, 11:00am, 12:00pm, 1:00pm and 2:00pm, the player with the highest hand will be awarded \$100, and the next hour will begin immediately. If no player qualifies with a full house or better using both of their hole cards, then the \$100 will carry over to the next hour, making the next hour's total \$200. (Example: If at 12:00p there is no winner, the poker room will carry over the \$100 pay out to 1:00pm which will now be worth \$200. In the event the last session has no winner the session will continue until a player qualifies).

Promotion Details: All monies paid during this promotion will be paid from the poker promotional fund. The Card Room Supervisor or Card Room Manager will fill out a prize certificate form. They will have the winner sign it. The prize certificate will be placed in the poker cash drawer to account for the payout. At the end of the gaming day the certificate will be sent to audit to reconcile the bank.
