**Tournament Name:** Wichita Thunder Bounty Poker Tournament

**Tournament Dates:** February 16, 2020

**Tournament Times:** Registration starts February 1, 2020 at 10:00am. The Tournament starts on February 16, 2020 at 2:00pm

**Tournament Rules:** Tournament buy-in is \$350 total, which will be divided as follows: \$30 rake to the casino, \$20 dealer gratuity, \$300 going to player prize pool. All players will receive \$10,000 in tournament chips at the table. There will be a \$20,000 guarantee on the prize pool.

*This is a No-Limit Texas Hold'em Bounty Poker Tournament, meaning any player can bet all their chips at any time. Tournament capacity will be based on available tournament table seats at the start of the tournament, but not to exceed 100. (No more than 10 players per table with ten tables in use).*

In the event a player is unable to make it to the tournament on tournament day, or in the event that the tournament is canceled, player/s will receive a full refund of the entry fees. The player must return to the poker room with their tournament receipt, along with their ID, to receive their refund. They will have one year from the scheduled tournament date to do so.

Registration will continue until the first break, based on availability. Until the first break, any player being knocked out of the tournament may reenter by paying full registration fees and will be treated the same as any new player entering the tournament for the first time.

This will be a No Limit Texas Hold' Em "bounty" tournament. Eight (8) designated players (Players and/or Coaches from the Wichita Thunder Hockey Team) will have a "bounty" on their head. That bounty will be worth \$500. The Casino will pay the \$500 for bounties on all eight Thunder players, as a Marketing Expense. In the event that the Thunder fails to provide any or all eight players and/or coaches the \$500 bounty will be eliminated for each of the players or coaches not present.

The bounty will be awarded to the player who eliminates another player out of the tournament. The Poker Room will use a "Bounty Chip" to award these bounties to the appropriate player. "Bounty Chips" will only be redeemable at the poker room cashier cage.

Levels will be 20 minutes in length with a 10-minute break after each hour of play. Tournament will conclude when one player has acquired all the tournament chips in play, or if players agree on a distribution of the prize pool. A card room cashier, card room supervisor or card room manager will then pay the player prize pool in casino value chips at the cashier cage. Payouts will be determined by the attached spreadsheet, (unless the players agree upon a different distribution of the player prize pool).

Except as otherwise stated herein all Kansas Star Casino "Texas Hold'em Poker" rules of play will apply. The Kansas Star Poker Room adheres to all Poker Tournament Directors Association tournament rules, a copy of which may be obtained at the poker podium.

Cancellation will be allowed up to 48 hours prior to the event with the approval of the Kansas Lottery and KRGC. In the event of cancellation all players would be notified via an email blast to our data base as well as personal phone calls from our hosts. Adequate signage would be posted indicating that the tournament had been canceled.

**Tournament Details:** Tournament sign-ups will be open to the public beginning February 1, 2020 at 10:00am. A Card Room Cashier, Card Room Supervisor or Card Room Manager will collect the buy-in and use Bravo Tournament Watch system to fill out the Tournament Entry Form. Each player will then be assigned a seat at random. Once the winners are decided the Card Room Supervisor or Card Room Manager will fill out a tournament Distribution Form, have the guest sign it and pay the guest in casino value chips. The dealers' gratuities (\$20 per player) will be totaled, and divided among the tournament dealers based on the number of tables they dealt at during the tournament. The dealers will sign a dealer's gratuity form to confirm the number of tables they dealt at and confirm their share of the gratuities. All monies collected for house rake (\$30 per player) will be dropped in a Poker rake box along with tournament drop paperwork. During this process Surveillance will be called to observe. Marketing Expense and/or Player Promotional money may be used for this tournament to cover both the guarantee and bounty costs. At the end of the gaming day the Tournament Distribution form will be sent to Accounting.
