Triple 7 Brews

High Roller Gold - Triple 7’s Flagship beer is produced for those who demand the very best. This wheat beer, the most popular of our lineup, serves up cold and refreshing. The highest quality ingredients and brewing techniques are used in every batch to produce a beer worthy of our best customers. Alcohol content: 5.0%

Marker Pale Ale - A beer made for the adventurous at heart. The aroma and flavor of fresh, American hops stimulates the taste buds while its clean bitterness cleanses the palate. Not for the weak hearted, our pale ale has the highest alcohol content of any of our beers. Alcohol content: 5.6%

Royal Red Lager - Drinking a glass of Royal Red is almost as enjoyable as hitting a royal flush! Our Vienna-style lager has a distinctive toasted character balanced by “noble” hops. This Royal Red Lager won a Bronze Medal at the World Beer Cup in 2000. Crisp and delicious, this easy drinking lager will have you feeling like royalty. Alcohol content: 4.5%

Blackchip Porter - A porter this good deserves to be named after a \$100 black chip. Its smooth, roasted character puts it in a class of its own. Designed for dark beer lovers, the blend of five malts gives it a complex flavor with chocolate and toffee undertones. Alcohol content: 4.3%

Triple 7 Brewmaster Special - The Brewmaster special features a monthly rotation of some of the finest creations ever developed. Among the favorites are Raspberry Wheat, Triple 7 Hefe-Wei-Zen, India Pale Ale and the famous Black Cherry Stout, a Silver & Bronze Medalist of the 1997 & 1999 Great American Beer Festival. Alcohol content: 4.0 to 5.5%

- Regular 16oz \$3.25
- Large 23oz \$3.95
- Sampler 25oz - A 5oz sampling of each of our 5 Micro-brew . . . \$5.50

Brews Facts

Brewing Process: The brewing process time from start to finish is 2 weeks for Ales and 4 weeks for the Royal Red Lager. The actual brewing process takes 6 hours. The beer fermentation or aging takes 3-4 days for Ales and 7-10 days for the Royal Red Lager. Conditioning takes 7-10 days for Ales and 18-21 days for the Royal Red Lager. Filtration to the serving tanks takes 8 hours. **Brewhouse Size:** The Brewhouse brews 15 barrels per batch or 500 gallons or 30 kegs. One barrel is equivalent to 31 gallons, which is equivalent to 2 kegs. Drinking wine, beer and any other alcoholic beverages during pregnancy can cause birth defects.
