# Mystery Bounty Tournament

## Official Rules

1. The following rules shall govern the \$500 Buy In Mystery Bounty No Limit Hold'em tournament, scheduled for Thursday October 14<sup>th</sup>, 2021 through Sunday October 17<sup>th</sup>, 2021, herein referred to as "The Tournament".
2. Any time a participant is eliminated from the Tournament, the participant(s) that eliminate them will be awarded with a bounty prize.
3. The bounty prize pool will be consisted of \$160 from each tournament entry.
4. For the purpose of these rules, bounty prizes will be separated into two (2) groups, herein referred to as "Day 1" and "Day 2". Day 1 bounty prizes will be awarded for participants eliminated on sessions starting on Thursday October 14, 2021, Friday October 15, 2021, and Saturday October 16, 2021. Day 2 bounty prizes will be awarded for participants eliminated on the session starting on Sunday October 17, 2021
  - a. The bounty prizes for Day 1 shall be worth fifty dollars (\$50) each, except for the sponsored "Boone's Bounties", which shall be worth five hundred dollars (\$500) each. These bounty prizes shall be awarded for all eliminations that occur during a participant's starting flight.
  - b. The bounty prizes for Day 2 shall be worth anywhere from one hundred dollars (\$100) to twenty-five thousand dollars (\$25,000). These bounty prizes shall be awarded only to those participants advancing to the final day of play for this event.
5. "Boone's Bounties" will consist only of monies added to the bounty prize pool by the sponsor. At the start of each flight, the Tournament Director will randomly determine two levels of play, and times remaining in those levels; the selected levels must be from levels nine and later. Once each of these predetermined times have passed, the next bounty prize to be awarded will be a Boone's Bounty prize. *Note: Participants shall not be previously informed of the predetermined levels/times that the Boone's Bounties will be awarded.*
6. The Day 2 bounty prizes, also known as "Mystery Bounty" prizes, will be determined once registration is closed for all starting flights of the Tournament. These prizes will include, but are not limited to, the following amounts:

\$25,000	\$15,000
\$10,000	\$5,000
\$2,500	\$1,000
\$500	\$250

7. On Day 2, a participant eliminating another participant will be awarded a numbered voucher for a Mystery Bounty prize. These vouchers may be redeemed by presenting them to the supervisor at the designated redemption area. The participant will then be asked to select a prize envelope from the drum and reveal their Mystery Bounty prize. *Note: Participants are responsible for all applicable taxes for any Mystery Bounty prizes won.*
8. The remaining Mystery Bounty Prizes shall be displayed in the tournament area throughout play on Day 2.
9. The Mystery Bounty prizes may not be altered in any way. In the event of a deal or chop that ends the Tournament, each remaining participant will be awarded a voucher, and will draw a Mystery Bounty prize as described above; vouchers will be awarded in order by final chip count, the highest chip count receiving the lowest remaining voucher number.
10. Participants will have up to one (1) hour after the completion of the Tournament to redeem their Mystery Bounty prize vouchers. After this time, a tournament supervisor will randomly draw the Mystery Bounty prizes for all unredeemed vouchers. Participants will have thirty (30) days to claim these prizes; any unclaimed prizes will be added to the Tournament Promotion Fund.

11. If two or more participants eliminate the same participant with the same winning hand, the bounty prize will be divided as evenly as possible among them. If a bounty voucher is awarded, the participant with the highest chip stack shall be designated to draw the Mystery Bounty prize to be divided among the participants.
12. If multiple players share in the elimination of multiple players on the same hand, bounties will be divided as evenly as possible among them. If vouchers are to be awarded, they will be distributed as evenly as possible between all winning players. *Example (1): Player A and Player B split a pot in which Player C and Player D are both eliminated; one voucher each will be awarded to Player A and Player B. Example (2): Player A and Player B split a pot in which Player C, Player D, and Player E are eliminated; one voucher each will be awarded to Player A and Player B, and a third voucher shall be split as described in Rule 11.*
13. If two or more participants arrive at the redemption area at the same time, the lowest voucher number will have priority to draw first if he/she wishes to do so. If any line or queue has formed, players declining to draw in voucher order relinquish any priority to any specific draw order.
14. The Tournament Director shall have sole discretion in resolving any disputes involving the redemption of Mystery Bounty prizes, including drawing order, voucher distribution, etc. The decision of the Tournament Director will be final.
