

Lost and Found

Any personal belongings brought into the center are the responsibility of the individual. Please be sure that all personal items such as blankets, jackets, etc. have the child's name written on them to avoid any loss of these personal items. We cannot be responsible for any loss of property that does not have the child's name or initials on it. Any items lost will be kept in our lost and found for a period of 30 days which is located within our Security Department.

Hours of Operation

Monday – Thursday | Noon – 11:30pm - Last check-in time: 11:30pm Sunday | 11:00am - 11:30pm Friday & Saturday | 11:00am – 12:30am - Last check-out time: 12:30am Last check-in is one hour prior to closing time

Discipline

We use several disciplinary techniques that help children to understand rules and become self-directed in their behavior; these include giving choices, teaching problem-solving, natural and logical consequences, redirecting and cooling off periods. Any behavior which poses a threat to other children will be handled by management. Under no circumstances will corporal punishment be tolerated.

Snacks

There is a snack bar to provide snacks to the children at the parent's request for a nominal fee. Parents be required to set a dollar amount. Food and beverage items cannot be brought into the facility.

Medication

Under no circumstances will medication be administered to a child in an accommodation facility. If medication is required, the parent must return to administer the medication to their child.

Safety

Our most important concern is the safety and well-being of the children in our care. Some of the slides in the jungle gym area contain abrupt changes of direction and may not be suitable for all children. By signing this form the parent agrees that child can play in the jungle gym area and holds Kids Tyme harmless from all liability other than that attributable to the gross negligence of a Kids Tyme employee. No child is left unsupervised at the center. All staff are First Aid and CPR certified. Children are not released to anyone other than authorized pick up person with valid photo ID. Parents must remain on premises at all times. Parents will be notified immediately for pick-up if their child exhibits disruptive, rude or any other harmful and questionable behavior that will endanger himself/herself and other children. For safety concerns, children will be restricted from running, playing tag, chewing gum, standing on tables or chairs and hitting, kicking or spitting on other children.
