10. Additional electronic entries may be given as prizes through direct mail, e-mail, online or via text message, as well as property-specific entry multiplier days.
11. At **Suncoast**, participants may activate their entries beginning at 12:00 p.m. on drawing dates. All drawing entries are "virtual" and must be activated (electronically deposited into our virtual drawing drum) at a casino promotional kiosk at the property where entries are earned. Participants must activate their entries at any kiosk at least fifteen (15) minutes prior to the drawing time on the day of the drawing. Entries earned during the fifteen (15) minute period prior to the drawing will not be eligible for activation in that pending drawing.
12. **Suncoast** will hold two (2) drawing on Fridays and Saturdays at 6:15 p.m. and 8:15pm where five (5) winners will be selected in each drawing. Drawing and the Let it Slide® game play will take place at the following locations:  
**Suncoast:** Promotion area adjacent to the Race and Sports.
13. There is a maximum of 10,000 entries, per day, per person, for the drawing.
14. Participants must be present to win and have three (3) minutes to identify themselves once their name has been picked and displayed on the drawing screen with timer start to be eligible to play in the drawing. Valid identification and Player card is required for all prize winners. Valid identification is defined as a current valid form of one of the following: state issued driver's license with picture, state issued identification card with picture, military identification card with picture, or government issued passport. If winner is not a U.S citizen, a current valid passport or alien registration card is required. After the three (3) minutes have expired, a new name will be drawn until five (5) claimed winners have been identified.
15. In the order their name was drawn and verified, each of the winners will be allowed to place three game pucks, one at a time anywhere on the top of the slots on the Let it Slide® game board. The puck will travel through the pegs on the board and end up in a slot with a prize amount of \$100, \$150, \$200 or \$500 indicating a prize amount, the total of the three prize amounts equals the winners prize. For example, the first puck lands in the \$500 slot, the second in the \$200 slot and the third in the \$500 slot; ( $\$500+\$200+\$500= \$1,200$ ) the winner will receive \$1,200 cash. In the event the puck gets stuck or stops before reaching the prize slot, the puck will be removed from the gameboard by the drawing official and the winner will play that puck again. If the puck gets stuck or stops more than three times, that puck will be removed from play and count for \$500 toward the winner's total for that puck.
16. Suncoast will offer their winners the option for a 10% increase in prize value if taken as Slot Dollars. Slot Dollar prize will be added to their Players Club account within 1 hour of the conclusion of the cash drawing.
