 1. Thursdays 5:20 p.m. kickoff
 2. Sundays 5:20 p.m. kickoff
 6. Teams will be listed and numbers drawn by Table Games supervision 10 minutes prior to kick-off. Once the selection process starts, players may not earn a space on that board.
 7. The last digit of each team's score will determine the square that is the winner. The player with that square wins the quarter prize. Example: Red team 6 and Blue team 4. At the end of any quarter, Red scores ending in 6 and blue scores ending in 4 would make that square a winner (e.g. Red 6, Blue 14). Scores are deemed official from the NFL website.
 8. There will be two prize boards, for each night. Each first quarter prize begins at \$125 Cash. Each second quarter prize begins at \$250 Cash. Each third quarter prize begins at \$375 Cash. Each fourth quarter prize begins at \$500 Cash. Unclaimed prizes roll over 1 time and are added on to the same quarter, same board and same day the following week. Progressive prizes are Free Bets only. *Example, the fourth quarter \$500 cash prize from the Thursday prize board is not claimed, so that prize will progress one time to the following week as a Free Bet. The winner of the next Thursday's fourth quarter prize would win \$500 cash and \$500 Free Bet, if present.* If prize is not claimed the following week, the prize stays the same. Free Bet Coupons have no cash value and may not be redeemed for cash. If you bet a Free Bet Coupon and win, you will be paid in live gaming chips equal to the amount of each coupon you bet. In other

words, if you bet a \$25 coupon and you win, you will be paid a \$25 live gaming chip, and not any higher amount.

9. There is an overtime prize of \$250 Free Bets for both game boards.
10. Must be present to win and winners must present their VALID PHOTO ID and valid B Connected card. Winning players will have 3 minutes to claim their prize at the quarter's end.
